

In conversation with

Christophe Weber

President and Chief Executive Officer,
Takeda Pharmaceutical Company Limited

Wednesday, February 21st 2018 • Ginza Ballroom (3F), The Peninsula Tokyo
8.00-8.30 Breakfast and Networking, 8.30-9.30 Conversation and Q&A

Join us for an exclusive opportunity to engage with Christophe Weber, President and Chief Executive Officer, Takeda Pharmaceutical Company.

Joining in 2014 as Chief Operating Officer, Mr. Weber was named President and Representative Director in June 2014, and was subsequently appointed Chief Executive Officer in April 2015.

How are international consumer and business trends shaping the development of markets in Japan and Asia? How is digital going to change the healthcare industry? What is Takeda's strategy in an increasingly global and competitive environment? What are the opportunities, challenges, and risks that are in store for Japan in the coming years? What are the key opportunities and challenges for Japanese companies to go global and expand their business in overseas markets?

Join us as we invite Mr. Weber to share his thoughts on the current condition and future direction of the Japanese business landscape.

Christophe Weber is President and Chief Executive Officer of Takeda Pharmaceutical Company Limited.

Mr. Weber has held leadership roles across many different businesses and geographies. Prior to joining Takeda, Mr. Weber held positions of increasing responsibility at GlaxoSmithKline (GSK) including President & General Manager at GSK Vaccines, CEO of GSK Biologicals SA in Belgium, and member of the GSK global Corporate Executive Team.

From 2008 to 2010, Mr. Weber served as Asia Pacific SVP and Regional Director at GSK Asia Pacific in Singapore.
